

Labrador Rescue Kent and Borders

PLEASE REMEMBER THAT THESE ARE RESCUE DOGS AND LRK WILL NOT HAVE THE BENEFIT OF KNOWING EVERY DETAIL OF THE DOG'S DEVELOPMENT FROM PUPPYHOOD TO PASS ON TO YOU.

A SETTling-IN PERIOD IS ESSENTIAL FOR A NEWLY HOMED LABRADOR: THE NEW OWNERS NEED PATIENCE AND MUST NOT EXPECT AN INSTANTLY WELL-BEHAVED AND TRAINED DOG.

SUITABLE INSURANCE AND PROVISION AGAINST THE COST OF VETERINARY FEES, AS WELL AS THIRD PARTY COVER SHOULD BE MADE. LRK ALSO SUGGESTS (IF NOT ALREADY DONE) ALL DOGS SHOULD BE MICROCHIPPED.

THE RESPONSIBILITY FOR PAYING FOR THE COST OF ANY TREATMENT FROM THE DAY OF ADOPTION SHALL BE THE SOLE RESPONSIBILITY OF ANY ADOPTER/S
